

KAS

Landscaping & Yard Maintenance

KAS Landscaping & Yard Maintenance specializes in residential lawn, landscaping, yard and property maintenance and monitoring.

We offer competitively priced services to our customers with an approach to business that builds longstanding relationships based on trust, honesty and integrity.

We know that by showing up when we say we will, by completing a job on time and that by listening to our clients, we differentiate ourselves from our competitors within our geographic area.

Our KAS *There When You Need Us* Summer & Fall Services
